Your (milik kamu)

Her (milik dia ♀)
Its (milik benda)

Our (milik kami)
Their (milik mereka)

Cara Menggunakan Possessive Adjective

 Selalu diikuti oleh kata benda (noun)!
my book • her bag • their house
his car • our school • your pen
Ingat: Possessive Adjective + Noun = 

Contoh Kalimat Possessive Adjective

This is my pen.

That is your chair.

His dog is big.

Possessive Adjective vs Possessive Pronoun

 Possessive Adjective → selalu diikuti NOUN (kata benda)

"This is MY BOOK." → my + book ✓

 Possessive Pronoun → berdiri SENDIRI tanpa noun

"This book is MINE." → mine (tanpa noun) ✓

⚠️ Ingat: my, your, his, her = adjective
mine, yours, his, hers = pronoun

Kesalahan Umum!

✗ Salah: "This is mine book."

Mengapa salah? Karena mine adalah Possessive Pronoun dan TIDAK boleh diikuti kata benda (noun)!

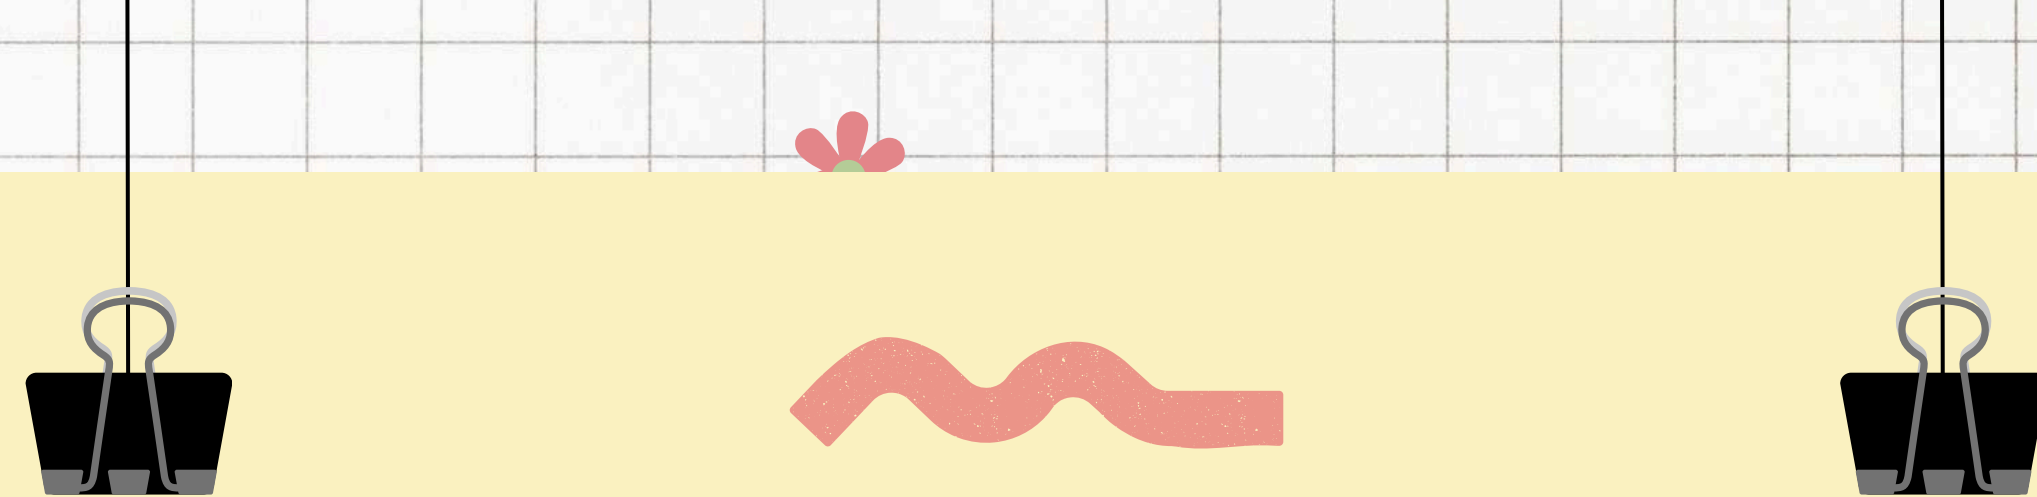

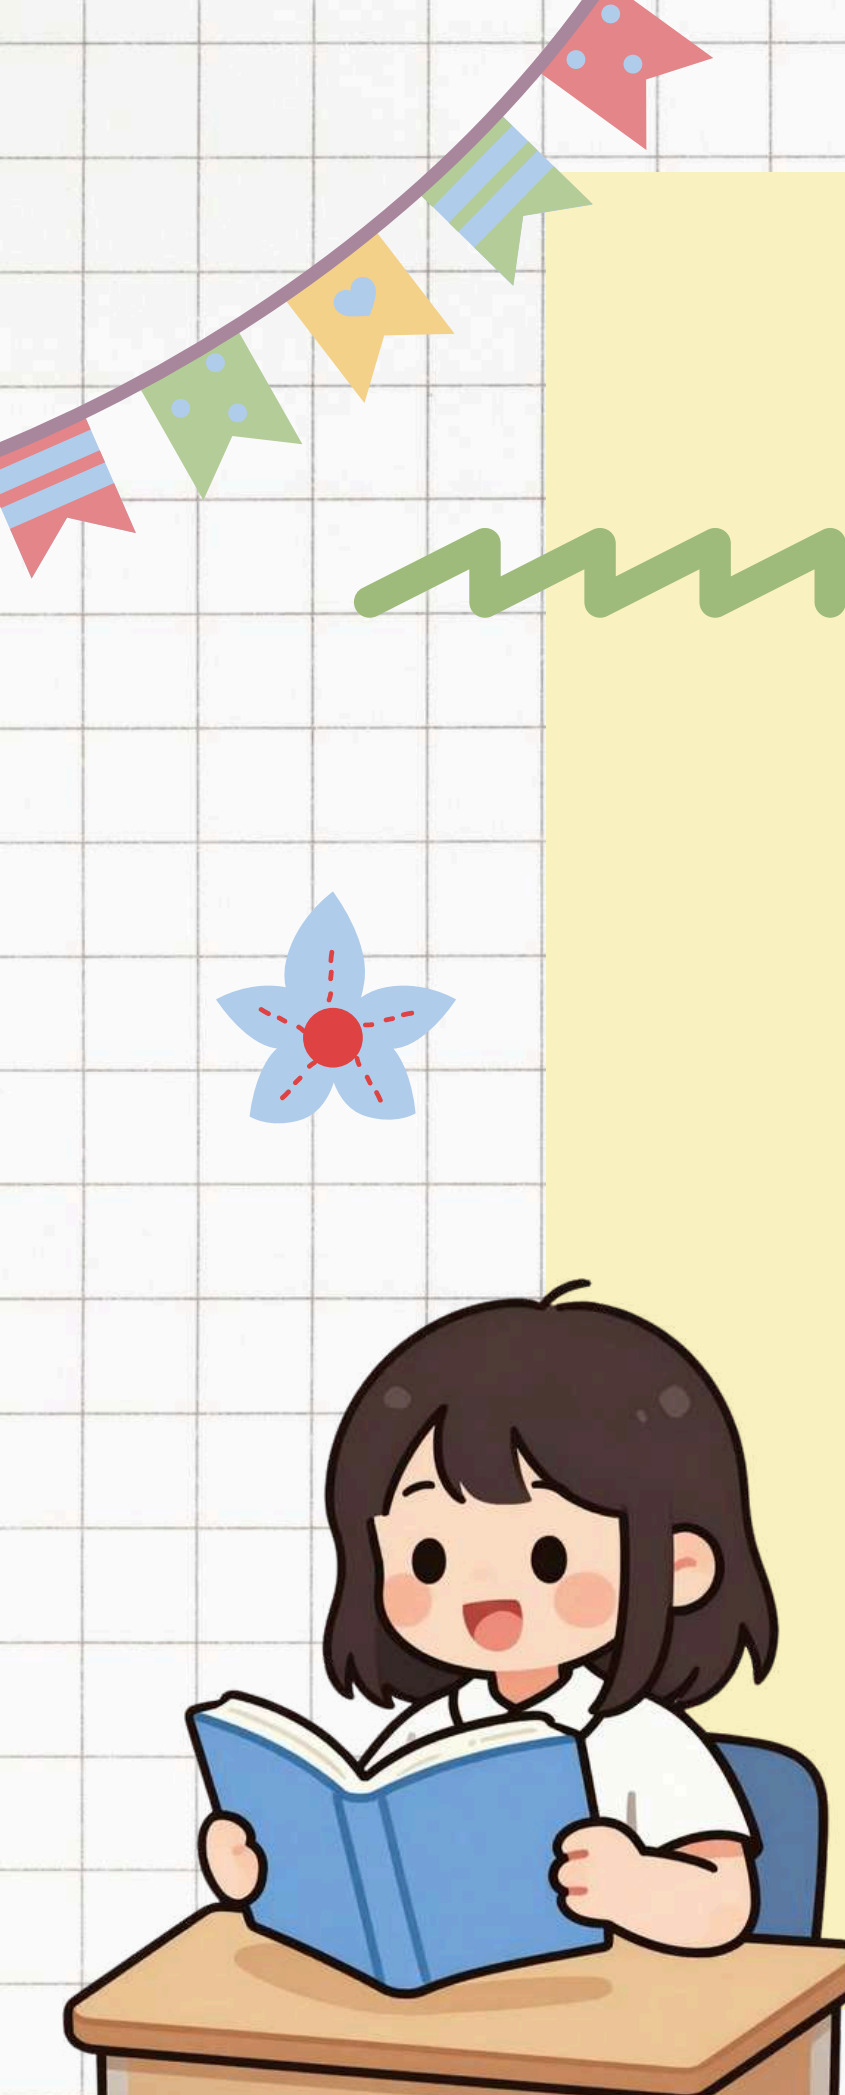

✓ Benar: "This is my book."

Possessive Adjective (my) selalu diikuti oleh kata benda (noun).

My + book = ✓

Ingat: Possessive Adjective (my, your, his, her...) selalu butuh noun setelahnya. Possessive Pronoun (mine, yours, his, hers...) berdiri sendiri tanpa noun!
